Dear Parents,

Thank you for your email indicating that you wish for your Year 6 child to return to school. We are looking forward to welcoming your child back to school.

Your child has been allocated a place in Group **B** and will attend school on a **Thursday** and **Friday** each week.

The following documents have been attached for your information. I would be grateful if you could read through the information prior to your child's return and share the relevant parts with your child. In addition, a video showing our school building has been shared on Facebook and our School Website. Please share this with your child to help alleviate any worries he/she may have as the return to school approaches.

It is the responsibility of the whole school community to keep pupils, staff and their families safe. I would like to take this opportunity to remind you that, despite a phased return to school beginning, the risks associated with Coronavirus have not disappeared. It is imperative that parents continue to follow Government Guidelines strictly and work with school to ensure that everyone is kept safe.

Yours Sincerely,

Mrs Charlton
Acting Head Teacher
